

April 2019

The North Dakota Department of Human Services can assist North Dakotans who need help addressing stress, anxiety, depression and other behavioral health concerns in healthy ways, or who may need help with food, child care costs or health care coverage.

- **Crisis Help** – If you are in crisis, call our **confidential crisis lines** 24-hours per day, seven days a week or go to a regional human service center during business hours for immediate help.
- **Open Access (walk-in) behavioral health assessments** – *Walk-in during Open Access hours for mental health and addiction assessment and triage services, and if needed, get connected to services right away. Regional human service centers accept insurance, Medicaid and offer adjusted fees and payment options for qualifying individuals.*
- **Substance Use Disorder Voucher Program** – *Get help with the cost of addiction treatment and recovery services from participating providers.*

Economic Assistance Programs – Go to any [county social service office](#) to apply or apply online at www.nd.gov/dhs/eligibility/index.html if you need help paying for food, child care, health care or other needs.
