

<p><b>COMPLIANCE</b></p>	<p>Also Adhere to <b>General Standards for all Industries</b></p> <p>It is critically important that jurisdictions continue to monitor local health criteria (number of cases reported, risk of transmission, level of community spread) and take necessary precautions to protect vulnerable populations to safely determine health guidance and mitigation measures. <b>Recommendations are intended to supplement and not replace local mandates. All local mandates must be followed.</b></p>	
<p><b>MOVEMENT AND ACTIVITY</b></p>	<p><b>Social Distancing</b></p>	<p><b>ALL RISK LEVELS</b></p> <ul style="list-style-type: none"> <li>• Provide signage and/or staff to indicate and monitor capacity of pools and water features.</li> <li>• Develop and implement a plan for ensuring 6 feet of spacing between family groups in the pool area and on the pool deck.</li> <li>• Areas for water features, locker or shower rooms, and bathrooms should be marked with physical or visual cues so distancing can be maintained.</li> <li>• Provide entrance and exit designations to provide one-way flow of users and monitor water features/playgrounds such as slides, lazy rivers, or play pads to ensure 6 feet of spacing is maintained.</li> <li>• Discontinue pool activities that involve multiple households interacting such as water volleyball or basketball.</li> <li>• Consider closing water play features that cannot be safely used with adhering to the six-foot minimum distancing.</li> </ul> <p><b>Red/Critical Risk Level</b> — Only essential workers as defined by the <a href="#">United States Department of Homeland Security</a> and essential travel are open.</p> <p><b>Orange/High Risk Level:</b></p> <ul style="list-style-type: none"> <li>• Limit number of people to 50% certificate of rate room capacity but no more than 150 people in a confined space (indoor or outdoor).</li> <li>• Individual group sizes attending open swim should be limited to one family or individual group size no larger than 10 people.</li> <li>• Provide signage and/or staff to indicate and monitor capacity of pools and water features.</li> <li>• Limit use of saunas, jacuzzi, hot tubs, steam rooms, etc. to 1 person per 100 SF. This may mean one person or one family at a time. Consider using a reservation system to control access during times of high demand.</li> <li>• Lap swimming – limit one swimmer per lane.</li> <li>• Swimming lessons – follow <a href="#">American Red Cross Learn to Swim</a> guidance. This could mean limiting lessons for more advanced swimmers or parent /child lessons. Class sizes should be limited to meet social distancing guidance in the water and on the deck.</li> </ul> <p>(CONTINUED ON NEXT PAGE)</p>

## EMPLOYEE AND CUSTOMER SAFETY AND TRUST

### Special Measures

#### ALL RISK LEVELS

- Encourage customers to download the Care19 Apps to increase success levels with contact tracing.  
[BeLegendary.link/Care19](https://BeLegendary.link/Care19)
- Follow [CDC guidelines for aquatic venues](#).
