WATER ADVISORY

This water may contain blue-green algae that can be harmful to humans and pets.

To reduce the risk of illness:

• Do not swim, waterski, or tube if the water looks like spilled green paint or pea soup
• Avoid swallowing water and watch small children and pets who may ingest water
• Rinse off with clean water after swimming
• Stay away from areas of scum when boating
• Contact your healthcare provider or veterinarian if you or your pet become sick after swimming.

For more information call the ND Dept. of Health at 701-328-5210 or the Upper Missouri District Health Unit at 701-774-6400.
